A Haven For Beauty & Wellness

Rituals pamper and heal holistically at Evo

In keeping with their philosophy of healing and beauty, Evo Spa is proud to offer state-of-the-art technology combined with ancient tradition to provide the most effective treatments possible. That is why they are thrilled to provide Biomats for all their massages and acupuncture sessions.

FDA-approved Biomats are the latest in healing therapy. Combining Far-Infrared Rays and Negative Ion Technology

Combining Far-Infrared Rays and Negative Ion Technology with the healing power of Amethyst Crystals, the mat helps to relieve joint and muscle pain, reduce stress, improve immune function and so much more.

with the healing power of Amethyst Crystals, the mat helps to relieve joint and muscle pain, reduce stress, improve immune function and so much more. Another benefit of using the Biomat is purifying the body of accumulated toxins. Besides being used for acupuncture and

massage, Evo is offering the Biomat as a therapy on its own in 30- and 60-minute sessions.

As part of their commitment to promoting health and wellbeing, Evo offers amazing results-oriented facials and body treatments using the highest quality products. Their eclectic Spa. Boutique has the best skin care products, great gifts and fun

jewelry and clothes. Come see how one visit can nourish your body, mind and spirit. ✿
